**Central Library**  
**Screen shot of KOHA Software**

The screenshot shows the Koha Software Main Page. At the top, there is a navigation bar with links: Circulation, Patrons, Search, Cart, and More. On the right, it displays the user 'shobhit' and the library 'Central Library AKGEC, Ghaziabad', along with a Help link. The Koha logo is on the left. A search bar prompts the user to 'Enter patron card number or partial name:' with a Submit button. Below the search bar are links for Check out, Check in, Renew, Search patrons, and Search the catalog. A large green circular graphic is on the left side of the main content area. On the right, there are several buttons: Circulation, Reports, Patrons (highlighted with a green border), Tools, Advanced search, About Koha, Lists, Cataloging, and Authorities.

**Koha Software Main Page**

The screenshot shows the Koha Software Circulation Page. The navigation bar is the same as the main page. The breadcrumb trail at the bottom left reads 'Home > Circulation'. The main content area is titled 'Circulation' and contains two columns of links. The left column includes links for Check out, Check in, Renew, Fast cataloging, and Offline circulation (with sub-links for Upload offline circulation file (.koc), Pending offline circulation actions, Get desktop application, and Get Firefox add-on). The right column is titled 'Circulation reports' and includes links for Holds queue, Holds to pull, Holds awaiting pickup, Hold ratios, Transfers to receive, Overdues - Warning (with a note that the report is resource intensive on systems with large numbers of overdue items), and Overdues with fines (with a note that it is limited to the library and to see report help for other details).
